

5<sup>th</sup> October 2015

**RE: Year 11 Core Subjects Parents' Information Evening**

Dear Parent / Carer

We are committed to ensuring the best outcomes and examination results for all of our students. We believe that students' success is maximised by teachers, parents and students working closely together. To this end, I would like to invite you to join us on Wednesday 14<sup>th</sup> October 2015 for a Year 11 Parents' Core Subjects' Information Evening. The evening will give you valuable insight into how you can support your child in Year 11 with English, Maths and Science.

There will be presentations from ourselves and from the Heads of English, Maths and Science, which are focused on the different courses and pathways in those subjects. They will also provide you with key examination dates – and suggest revision and support materials. After the presentations, there will be the opportunity to ask us questions.

The presentations will begin at 5.30pm in the Hall and refreshments will be available afterwards in the Dining Room. We anticipate the evening finishing by 7.00pm.

In advance of the evening, we are offering the opportunity to pre-order the recommended revision guides. Pre – ordering will mean that the revision guides will be ready for you to collect during the core evening. Please complete the attached order form and make the required payment via Parent Pay by selecting the Year 11 Revision Guide option.

The School Shop will be open on the night for you to view the recommended revision guides. Orders may be placed during the core evening for collection the following day.

If you would like to attend the parents' session, please email [officeadministrator@cottesloe.bucks.sch.uk](mailto:officeadministrator@cottesloe.bucks.sch.uk), stating how many seats you require for the event, by Friday 9<sup>th</sup> October 2015. Students are encouraged to attend the event along with parents / carers.

If you have any questions, please do not hesitate to contact us.

Yours sincerely

Mrs J Lynam  
Assistant Headteacher – Raising Standards Leader

Mrs A Lynott  
Assistant Headteacher – Curriculum
