

Food bank Collection.

Hunger is not just a third world problem.

Even in our prosperous new city of Milton Keynes, there are many people living on the edge of poverty and The Food Bank has been able to help thousands of individuals and families who have experienced a crisis of some type.

National statistics show that some wards of Milton Keynes are within 10% of the most deprived areas in England. The Food Bank provides local families and individuals with essential food supplies at a time when they need them most.

This Christmas, Year 8 are organising a collection for the Milton Keynes food bank. Please help us by donating at least one of the items listed on the back of the sheet. We will be collecting items in AO from Monday 21st November to Tuesday 13th December. With activities taking place in the hall to also help raise as much money as possible to accompany all donations of food.
