

Dear Parent/Carer

The Friends of Cottesloe would like to invite you to take part in their seasonal fundraiser: **The Friends of Cottesloe Christmas Prize Draw.**

We have decided that there will be no messing around with raffle tickets this year, just pay £5.00 via Parent Pay to enter your name or nominate someone else in order to participate in the chance to win one of three cash prizes: £100, £75 or £50. Multiple entries are permitted and in fact, thoroughly encouraged.

All the money raised goes towards additional resources or projects for the students. Like the school's athletics kit, which we bought in June of this year, just in time for the District Championships. It was much admired by the other schools competing and gave those taking part a really strong team identity. The amount you raised by supporting the Summer raffle covered the cost of this.

We have recently pledged to support a school initiative which seeks to encourage all students to achieve, not just academically but celebrates effort and perseverance too. We're really pleased to contribute to this as it very much meets the Friends' criteria of enhancing the experience of students across the school.

Whilst we respond to requests from all departments in the school, the Friends of Cottesloe is run by a group of parents and as such there are certain things we'd like to see made available to our young people. So, this year we would love to make a step towards purchasing some outside lockers.

Please join us in this endeavour by visiting Parent Pay and entering into the prize draw. If you have questions or queries regarding payment or the Parent Pay system, please do not hesitate to contact Mrs Hosier in the finance office by email (jhosier@blpmail.org.uk).

The draw will take place Thursday 8th December.

Thank you and good luck.

Yours sincerely
Friends of Cottesloe
