RE: Inclement Weather Information

Dear Parent / Carer

Given the heavy snow forecast this afternoon, please be advised that there will not be any after-school activities - football training, Homework Club, Interventions - today. All students will be expected to go home and be off site from 3.00pm with the normal bus arrangements; our priority is to ensure that all staff and students get home safely. If this changes any arrangement you had with your son or daughter, please contact Reception.

If it begins to snow during the day, we will manage the situation and provide updates on the website. Please do not come into school during the school day unless collecting students for pre-arranged appointments.

We would like to take this opportunity to remind you that information regarding inclement weather and school closure will be on the school website.

Yours sincerely
Senior Leadership Team
