RE: Easter Holiday Re-visiting and Revision Sessions

Dear Parent / Carer

As you are aware, we are now 10 weeks away from the first GCSE examination.

As part of students' preparation for the forthcoming examinations, we expect them to be engaged in a thorough and targeted revision programme, revising (device-free) for at least 2 hours per night. A variety of proformas are available in 'Resources' to help students plan their revision time, and they can get further help with developing their revision timetables from form tutors in Registration. We are delighted that many students are also embracing the opportunity to attend after school sessions. A detailed daily programme showing the focus area for each after school session is on the school website. Students should attend particular sessions based on their areas for development identified in the mocks and other assessments.

We will be running some subject specific revision sessions in the Easter holidays, commencing on **Monday 3rd April 2017**. These sessions will focus on exam topics, skills and questions, and will address areas of learning insecurities. Please find attached the programme for revision. Kindly look at the sessions with your child and determine which sessions they would most benefit from attending.

The cost of each 90 minute session is £2.00. We believe that this is excellent value for money. Please indicate on the attached schedule which sessions your child will be attending. Payment can only be made via Parent Pay. The cut-off date for payment on Parent Pay is **Tuesday 28th March 2017**. If you require further assistance with payments or Parent Pay, please contact Mrs Hosier in the finance office by email at jhosier@blpmail.org.uk.

The timing and location of sessions is shown on the programme. Parents / Carers will be responsible for all transport arrangements, and students are expected to stay in school for the full duration of the session(s) they are attending and as such, they may wish to bring a packed lunch. Upon arrival, students should go to the designated session and sign in. Students do not need to wear uniform but need to be appropriately dressed with the correct equipment.

Please complete the attached form and return to the finance office by **Tuesday 28th March 2017**.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Mrs J Lynam

Assistant Headteacher, Raising Standards Leader
