RE: Year 11 – Reward for Attendance at After-school Revision Sessions

Dear Parent / Carer

As you are aware there are a significant number of after-school revision classes running to support students with their preparation for their GCSE examinations. A copy of the programme was attached to my letter of 23rd January 2017.

In recognition of students' commitment and engagement at sessions, we are going to award five free prom tickets to those students with the highest attendance from 27th February to 12th May 2017. Registers at each session will be taken by the teacher leading the session and we will announce the winners close to the first GCSE examination on 15th May 2017. Deposits paid will be refunded thereafter.

Thank you for your continued support with ensuring students take advantage of the opportunities offered after school.

Yours sincerely

Mrs J Lynam

Assistant Headteacher – Raising Standards Leader
