RE: 'Finger Spinners' and 'Fidget Toys'

Dear Parent / Carer

There is a current trend of students bringing 'finger spinners' and 'fidget toys' into school and they are proving a distraction to learning.

All such items will not be permitted in school with immediate effect and any items that are seen will be confiscated, due to the impact they are having on learning.

We have a small number of students who are legitimately allowed to use these, as it is a strategy that has been agreed with the SEN Department or the LINC. These students will be permitted to use these as normal.

Yours sincerely

Mr S Jones
Deputy Headteacher
