RE: Assemblies in School (Monday 6th – Friday 10th February 2017)

Dear Parent / Carer

Next week we are running a series of assemblies and discussions in form time to support Safer Internet Day. The assemblies will be conducted by our School Police Liaison Officer – **PC Tipping**.

As part of the assembly, she would like to show a video released by Leicestershire Police, which tells the story of a young girl who was a victim of a crime following her online activity. This true story has been in the National press and the video is part of a campaign to raise awareness amongst young people about the dangers they face online.

If you do not wish for your child to watch and take part in what we feel is a very powerful and important message during their year group assembly, please email officeadministrator@cottesloe.bucks.sch.uk.

In order to help you make a judgement, I have attached a link to the video to enable you to watch the video for yourself.
