RE: Use of Mobile Phones in School

Dear Parent / Carer

As you are aware, we have a very simple rule regarding mobile phones. They should not be seen, heard or used in school at anytime. There is a simple rationale behind this - its main priority is to safeguard all members of the school community.

We live in a society where many young people are driven by images and videos and they are almost a constant part of students' everyday life. As a school community we have worked very hard to educate, inform and promote responsible e-safety behaviour.

Unfortunately, following a small number of incidents, I feel it is necessary to ask all parents/carers to support the school and remind their children about our school rules regarding mobile phone use. Furthermore, please could you reinforce that any serious breaches of our policy, such as taking photographs or video images in school will result in a fixed term exclusion.

Many thanks for your support.

Yours sincerely

Mr S Jones

Deputy Headteacher
