## ***Catalogue*** ***School Uniform & Supplies*** ***2016-2017***

Dear Parents,

We have tried hard to make the purchase of school uniform as straightforward as possible. We stock all the essential and most optional items at very reasonable prices and, of course, by buying through the school you do not have the worry that an item of clothing may not conform to the uniform regulations. Of course, you can choose to shop elsewhere but do please check that the garment does conform in this way. We also offer a range of school equipment and books.

We have added a topcoat to the range of school-wear available as we had concerns about the variety of unsuitable tops being worn by students, and the number of students without any outdoor coat. Topcoats should ideally be black, grey or blue, be designed to be worn over a blazer and free of all but the most discreet logos.

Of course we recognise that for many parents, school transfer is an expensive undertaking but for some it can cause real financial hardship.

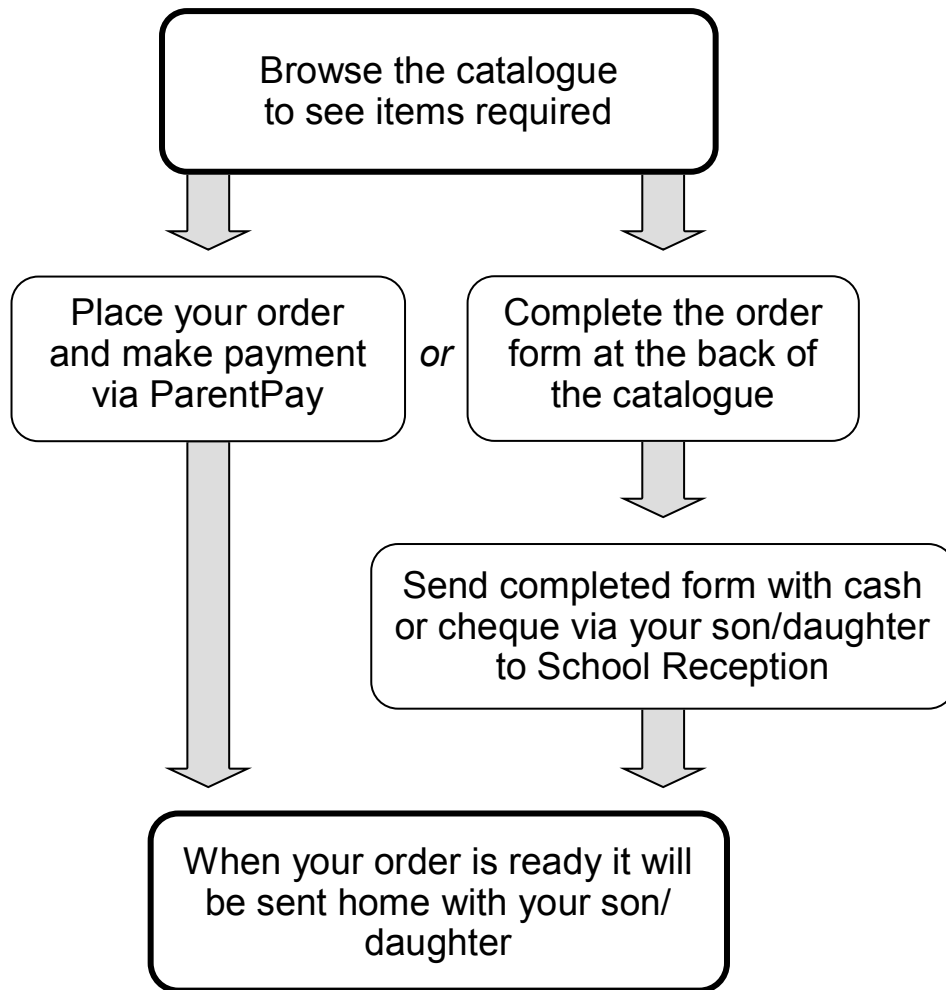

In such cases please contact the school to discuss the situation.

As a school we take very seriously the issue of students arriving at school in the correct uniform and with the appropriate equipment. Please help us maintain high standards in these areas.

Thank you in advance for your support,

  
A McBurnie  
Headteacher
