Acting Headteacher: Mr A McBurnie BEd (Hons), MBA

Dear Parents and Carers

OFSTED PARENTVIEW QUESTIONNAIRE

As the Acting Headteacher, I am determined to continue the improvement seen in The Cottesloe School over the past three years. As stated in the Ofsted report of October 2012, the student achievement was broadly average when compared with national figures. We have implemented a number of strategies to further improve teaching quality, students' attitudes to learning and involvement of parents/carers. However, it is imperative these strategies translate into raised achievement for all students.

The staff have been working extremely hard to address the issues raised in the Ofsted report. To support and evaluate the rate of improvement I have arranged for an Ofsted trained inspector to carry out further reviews of our teaching, learning and the progress made by students in order to accelerate the School's development to Outstanding.

I would ask parents/carers to support this by completing the ParentView questionnaire from Ofsted and this can be accessed through the School's website. The feedback allows us to gain another perspective of the learning experience of each student at The Cottesloe School.

Can I take this opportunity to thank those parents who have already taken the time to complete this form and for the positive feedback you gave.

Yours sincerely

A C McBURNIE
Acting Headteacher
