

# Summer 2016 Exam Season

## **GCE and GCSE Post Results Services (not for GCE or GCSE resit requests)**

**Priority Remark** - A priority remark service is only available for GCE A2 candidates who are reliant on the result for a university place. If your marks are close to the next higher grade boundary a remark might find a few extra marks. If your subject grade is upgraded, your fee will be refunded. *You must see Mrs Lynott/ Mr Youngs on or close to GCE Results day as a Priority Remark request and payment must be with the school by:*

**12.00 pm on Thursday 18 August 2016**

*Any requests received after this date will be treated by the exam boards as an ordinary remark and the results will not be received in time for the university to take into consideration for this year.*

You also need to tell the Admissions section of your chosen university that you have asked for a Priority Remark in that subject.

The cost of a Priority Remark is:	£46.00 per Pearson unit
	£48.00 per AQA unit
	£56.00 per OCR unit
	£45.00 per WJEC unit

***NB: It is very important to remember that although a Priority Remark is usually a very quick method of having your script remarked, the Exam Boards give a target time of 18 days from the date of the Exam Board receiving the Priority Remark request to the return of the outcome of a Priority Remark to you (although they are often quicker), so you may not receive the results of your Priority Remark in time for the university cut off date for admissions to courses starting September/October 2016.***

### **New Specification GCE Exams (Y12 AS exams)**

The content of the new specification linear Y12 GCE exam units will be covered again in the new Y13 GCE exam units and the unit marks do not count towards your final GCE A2 subject grade **therefore it is unnecessary to request a clerical checks or remarks in the following subjects.** You can, however, request the return of your exam script to aid revision.

*Biology, Chemistry, Physics, English Lit, English Lang & Lit, History & Psychology*

The legacy specification Y12 modular GCE AS exam unit marks will count towards the final GCE A2 subject grade **and clerical checks/remarks and return of scripts can be requested for the following subjects:**

*Maths, Further Maths, PE, D&T Product Design, French, Geography, German, Drama & Theatre Studies*

### **Clerical Check and Non-Priority Re-mark**

**Clerical Check** – your script is checked and the marks added up again, it is not re-marked.

**Re-mark** – a different examiner marks your script. You must sign a permission slip for a re-mark as marks & grades can go down, remain the same, or go up. If your mark goes up enough to change the overall grade for the ‘AS’ or ‘A’ Level you will have your fees refunded.
