# Our Future

Sixth Form Exterior

The Cottesloe School is delighted to announce the recent approval of planning permission to improve its facilities. The school continues to grow in popularity and has agreed to meet the need for more school places in North Bucks. This expansion will see Year 7 to 11 expanding to 210 students, an increase of 20 students per year group, over the coming years. This significant development marks a milestone in the ongoing commitment to provide quality education infrastructure for the growing local community.

The approved plans include the construction of new state-of-the-art facilities, additional classrooms and a new block of toilets. There will be some internal remodelling to improve our Sixth Form experience, create a new Science laboratory and refurbish an existing toilet block. The expansion aims to accommodate the increasing demand for secondary education in the region and enhance the learning environment for students and staff.

Simon Jones, Headteacher, expressed his excitement about the approved expansion, stating, "This is fantastic news for our school and the local community. The additional facilities will enable us to continue to improve the school by enriching the learning experience for our students."

Construction is scheduled to begin in the coming months, with completion expected in September 2024. The project will be carried out with careful consideration for environmental sustainability and in close collaboration with local stakeholders to minimise disruption to the surrounding area.

This development will have a positive impact on the educational opportunities available to students and the wider community.

Where there are gaps in your employment history please state the reasons why (eg. gap year, career break, unemployed).

## Supporting Information

This section of the form is very important. It gives you an opportunity to explain why you are applying and why you are the best person for this job. Use the job description and person specification as your guide and give specific examples to demonstrate how you meet the essential and desirable criteria for this post.

Please email your completed application form to [recruitment@cottesloe.bucks.sch.uk](mailto:recruitment@cottesloe.bucks.sch.uk)

## Deadline

We will review applications on receipt.

Unfortunately we are unable to provide individual feedback to applicants not selected for interview. If you are unsuccessful at application stage, it will be because you did not demonstrate that you meet the essential criteria for the role.

# Interview and Selection Process

---

Your application will be judged solely on the basis of how you demonstrate that you meet the selection criteria stated in the job description. Essential criteria of the person specification are those, without which, a candidate would not be able to do the job. To be successful at the shortlisting stage you should clearly show how you meet each of the selection criteria for the post using examples of your skills and experience. Details of the interview programme will be confirmed in writing to shortlisted applicants.

As part of the selection process, in addition to assessing your skills and knowledge against the requirements of this role, specific questions will be asked to assess your suitability to work with children. Under the Equality Act 2010 we are legally required to consider making reasonable adjustments to ensure that disabled people are not disadvantaged in the recruitment and selection process.

## Validation of qualifications

All shortlisted candidates will be asked to bring original certificates of relevant qualifications to interview. These will be photocopied and kept on file and may be confirmed as genuine with the relevant awarding bodies.

## Right to work in the United Kingdom

Under the Asylum and Immigration Act 1996 it is a criminal offence to employ anyone who is not entitled to live or work in the United Kingdom. Successful applicants will be asked to provide evidence from a list of acceptable documents, which will include photographic evidence, and right to work under the EU Settlement Scheme if applicable.

## Teaching posts

The school will undertake checks for teacher status, prohibition orders, failed induction or probation, and historic sanctions and restrictions for all teachers (qualified or unqualified). The Department for Education Employer Access – Teacher Services website is used to process these checks.

## Medical assessment

A satisfactory medical assessment will be required before we confirm any offer of an appointment. Any recommendations for reasonable adjustments to the working environment will be implemented upon commencement of duties.

# Pre-employment Checks

---

## References

All applicants will be asked to provide two referees, one of whom must be the applicant's current or most recent employer. Where an applicant is not currently working with children but has done so in the past then a reference will also be obtained from that previous employer. All shortlisted applicants will have references taken up prior to interview. Two satisfactory references must be received before we confirm any offer of an appointment. The information we request will relate to salary, length of service, skills and abilities, suitability for the job, disciplinary record and suitability to work with children. References addressed "to whom it may concern" will not be accepted.

We will undertake online and social media searches of shortlisted applicants as part of due diligence checks and any identified incidents or issues that are available online will be addressed at interview.

## Disclosure and Barring Service

It is an offence to apply for a role if you are barred from engaging in regulated activity relevant to children. Employment at this school is subject to an enhanced check with the Disclosure and Barring Service. Under the Rehabilitation of Offenders Act 1974 (Exemption Amendment) Order 1975, 2013 and 2020 there are a number of jobs where we must take account of convictions, even though they are 'spent' (excluding youth cautions, reprimands and warnings). All posts at this school are regarded as such. However, spent and/or unspent convictions may not necessarily make you unsuitable for appointment. Shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children. A certificate of good conduct will be required where a candidate has lived outside the UK for six months or more within the last five years.

# Induction, Probation and Continuing Professional Development

---

On appointment your line manager will discuss an appropriate induction programme with you which will help familiarise you with the culture of the school, local practices and policies. You will also receive a copy of the current New Staff Handbook.

Support staff employees new to the school will be subject to a six-month probationary period and a review of your performance will take place at the end of that period.

## School Policies and Procedures

---

The school has a wide range of policies and procedures which you will be made aware of and should familiarise yourself with, including Child Protection & Safeguarding, Code of Conduct for Teaching and Support Staff, Conduct and Discipline, and Whistleblowing.

The Governing Board of The Cottesloe School is committed to safeguarding and promoting the welfare of the students. All staff and volunteers are expected to share this commitment, to follow the school's safeguarding policies and procedures and to behave appropriately towards children at all times whilst undertaking school activities and in their personal lives.

The school's policy is to renew DBS checks for all staff, volunteers and governors every five years. Staff have a duty to inform the Headteacher of any change in their DBS status and to make the Headteacher aware of any incidents that may impact on their ability to work with children and young people.
